Defensive Handgun Course

Saturday, April 19th, 2008

Force Options will be presenting a Defensive Handgun course. This course is designed for novice and intermediate students. This one day course is designed to familiarize the student with the fundamentals of handguns as well as the principles of defensive shooting. You will acquire all the essential self-defense skills with the handgun in a safe and supportive environment. You will learn gun safety, marksmanship, gun-handling and combat mindset during this fantastic course. Additionally, you will participate in a shoot house and mobile shooting drills. This is the perfect class for anyone interested in learning more about handguns in a safe and encouraging format.

You will need:

Handgun (any caliber will do)
Eye and ear protection
300 rounds of ammunition
Water for the day
Holster and magazine pouch
At least 2 magazines (preferably 3)
Hat

This class will be conducted Southwest of the Valley in a safe but rural area. Please come prepared as if you would be hiking in an undeveloped area for the day. This includes water, snacks, lunch, and any other items you would need.
